

LIGHT DUTY LEVELING MOUNTS

VL- Series Leveling Mounts

VL leveling feet mounts are ideal for a wide range of light duty applications where simple, precise leveling is required.

Features:

- ✓ Diamond cell neoprene base provides firm grip/footing with floor.
- ✓ Model VL 3 has 2 anchor holes in the base of the mount.
- ✓ Fast simple and precise leveling.
- ✓ Zinc plated for better corrosion resistance.
- ✓ Mount design compensates when floor is slightly uneven.

Optional Material choices for large quantities orders:

- For food, pharmaceutical, chemical and medical critical applications, mounts are made of 304 stainless steel and food grade rubber compounds.
- Contact VibraSystems Inc. technical department for optimal material selection.
